EDUCATION

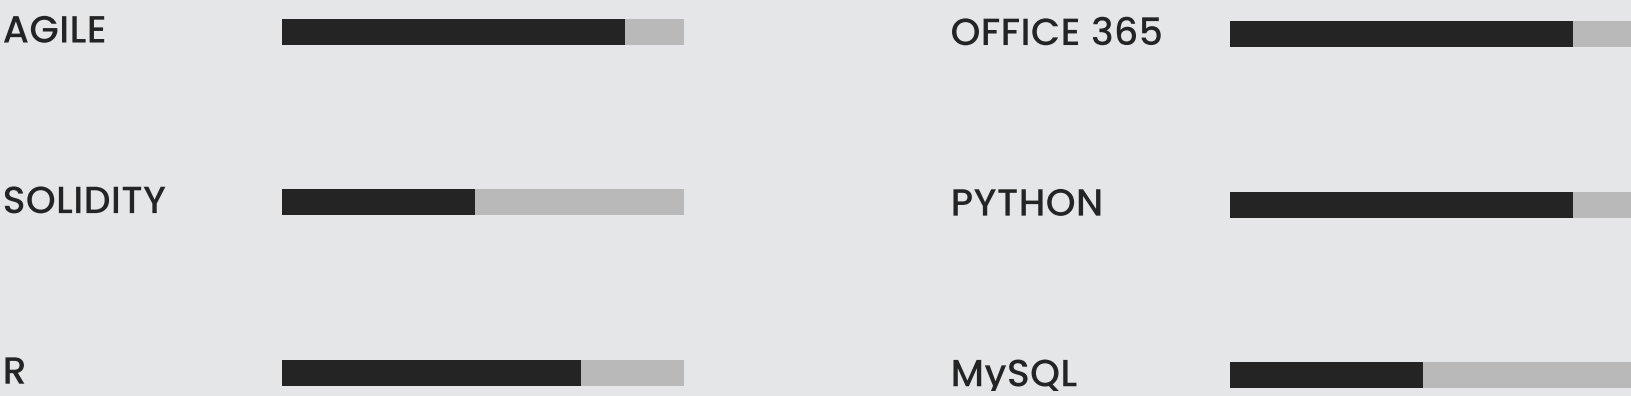

COLÀISTE CHIARÁIN, Third Year
2014 – 2015

Went to Limerick, Ireland to study abroad for a full year. While being there I learned the language and also worked at a local supermarket.

BUSINESS INTELIGENCE
2014 – 2015

I’m currently studying Business Intelligence at Universidad CEU San Pablo. It’s very interesting how the customer can get a really valuable insight by interpreting their business data, optimizing it’s everyday efficiency. I’m also discovering the new disruptive technology, Blockchain; and all its applications.

PROFESSIONAL SKILLS

EXPERIECE

Soft Skills

Acquiring knowledge is a key step during personal growth, but more important is to communicate that information enabling the team to be more versatile and efficient. I have also participated in a boy scout group for 10 years, developing different skills such as managment and critical thinking.

Cryptocurrency
2016 – now

Am a blockchain enthusiast, I have programmed an ERC-20 token in the Ethereum Blockchain as well as a collection of digital art based on NFTs.
(DISCLAIMER: it was only for learning purposes)

Amazon Educate Badges
2020 – 2021

I took a deep dive into many of the solutions AWS offers, while doing so, I was granted digital bagdes by AWS Educate such as, the Alexa Skill Builder, the Startup Badge and the AWS Deep Racer badge.

Google Ads Search Certification
2020 – 2021

Analysing data and getting valuable business insight is the core in BI, having a proper SEO positioning is a great way to grow your business and increase web traffic. This tool sholud be used in every digital marketing team.
